Academic Appointments

Assistant Professor, Department of Global Health, Boston University School of Public Health	July 2023-
Assistant Professor, School of Public Policy, University of Connecticut	2021-2023
Faculty Affiliate, UConn Institute for Collaboration on Health, Intervention, and Policy (InChip)	2021-2023
Affiliate, James E. Rogers Energy Access Project	2020-
Postdoctoral Associate, Institute for Social Research & Data Innovation, University of Minnesota	2020-2021

Education

Ph.D. Environment and Resources, Stanford University	2021
M.A. Economics, Stanford University	2020
Masters of Public Policy, Sanford School of Public Policy, Duke University	2014
B.A. Political Economy, University of California, Berkeley	2009

Publications

Brooks, N., Biswas, D., Rahman, R., Yu, A., Saha, S., & Luby, S.P. (2023). “Consequences of small-scale industrial pollution: Evidence from the brick sector in Bangladesh.” *World Development*. 170(106318).

Grants, Awards, & Fellowships

Current

80NSSC22K0470 (PI: Brooks, Nina) NASA Research Opportunities in Space and Earth Sciences 03/2022 - 03/2025 (\$304,086 direct costs; \$100,860 indirect costs). *A Remote Sensing Analysis of Heat Stress, LCLUC, and Women's Health in Sub-Saharan Africa*. Role: PI

Completed

KCAI-21-00346 (PI: Luby, Stephen) JPAL/King Climate Action Initiative 09/2022 - 08/2023 (\$400,000). *Transforming Brick Manufacturing in Bangladesh to Promote Clean Air and Better Health*. Role: Co-Investigator

Start-Up Funding Competition (PI: Luby, Stephen) Stanford Impact Labs 02/2021 - 07/2023 (\$500,000) *Transforming Brick Manufacturing in Bangladesh to Promote Clean Air and Better Health*. Role: Co-Investigator

GR-1769 (PI: Luby, Stephen) JPAL/King Climate Action Initiative Pilot Funding 02/2020 - 06/2022 (\$75,000). *Transforming Brick Manufacturing in Bangladesh to Promote Clean Air and Better Health*. Role: Co-Investigator

Unorthodox Philanthropy (PI: Luby, Stephen) 2017-2020 (\$500,000). *Optimizing Ventilation to Improve Health*. Role: Co-Investigator

Stanford Shultz Graduate Student Research Fellowship (Co-PI: Zohar, Tom) 2018 - 2019 (\$21,000). *Out of Labor and into the Labor Force? The Role of Abortion Access, Social Stigma, and Financial Constraints*. Role: Co-PI

Stanford Freeman Spogli Institute Large Research Grant (Co-PI: Zohar, Tom) 2019 (\$4,740). *Out of Labor and into the Labor Force? The Role of Abortion Access, Social Stigma, and Financial Constraints*. Role: Co-PI

Stanford Graduate Research Opportunity Grant (Co-PI: Zohar, Tom) 2018 (\$5,700). *Out of Labor and into the Labor Force? The Role of Abortion Access, Social Stigma, and Financial Constraints*. Role: Co-PI

Stanford Sean N. Parker Center for Allergy and Asthma Research (PI: Luby, Stephen) 2017-2019 (\$160,000). *Health effects of brick manufacturing in Mirzapur*. Role: Co-Investigator

Fellowships & Awards

Outstanding Service Award, UConn School of Public Policy	2023
King Center for Global Development Graduate Student Fellowship, Stanford University	2020-2021
Certificate of Achievement in Mentoring in the Stanford School of Earth, Energy & Environmental Sciences	2020
Outstanding Teaching Assistant Award, Stanford Economics Department	2019
Stanford Earth Dean's Fellow, Stanford University	2018-2020
David and Lucile Packard Foundation Fellow (SGF), Stanford University	2015-2018
University Scholars Fellowship, Duke University	2012-2014
Phi Beta Kappa, UC Berkeley	2009
Robert C. Byrd Scholarship, UC Berkeley	2005-2009

Conferences & Invited Talks

<i>Out of Labor and Into the Labor Market: An Evaluation of Israeli Abortion Subsidies</i> Society of Labor Economists Annual Conference	2023
<i>Extreme heat and women's reproductive health in Nigeria</i> UCSB Climate Hazards Center Early Career Webinar ^b	2023
<i>Extreme heat and women's reproductive health in Nigeria</i> Population Association of America Annual Conference	2023
<i>Extreme heat and women's reproductive health in Nigeria</i> Wittgenstein Centre Conference 2022 on Population and Climate Change	2022
<i>Impact of the 'Protecting Life in Global Health Assistance (PLGHA)' Policy on Health Service Delivery in sub-Saharan Africa</i> Population Association of America Annual Conference	2022
<i>Health and environmental effects of brick manufacturing in Mirzapur, Bangladesh</i> ASSA Virtual Annual Meeting 2022	2022
<i>Scalable deep learning to identify brick kilns and aid regulatory capacity</i> American Geophysical Union (AGU) Annual Conference ^b	2021
<i>Impact of the 'Protecting Life in Global Health Assistance (PLGHA)' Policy on Health Service Delivery in sub-Saharan Africa</i> IUSSP International Population Conference	2021
<i>Investigating the Relationship Between Seasonal Agricultural Variability and Childbearing Goals</i> IUSSP International Population Conference	2021
<i>How Does Seasonal Food Insecurity Impact Fertility?</i> Population Association of America Annual Conference	2021
<i>Health and environmental effects of brick manufacturing in Mirzapur, Bangladesh</i> The Fifth Annual (Virtual) Meeting of the Sustainable Energy Transitions Initiative	2020
<i>Health and environmental effects of brick manufacturing in Mirzapur, Bangladesh</i> Association of Environmental and Resource Economists Annual Conference ^c	2020
<i>Out of Labor and Into the Labor Market: An Evaluation of Israeli Abortion Subsidies</i> Willows Seminar Series, Harvard T.H. Chan School of Public Health ^b	2020
<i>Health and environmental effects of brick manufacturing in Mirzapur, Bangladesh</i> (poster) Stanford Center for Innovation in Global Health Research Convening	2020

^bInvited talk^cCanceled due to COVID-19

<i>Health and environmental effects of brick manufacturing in Mirzapur, Bangladesh</i> Sustainability and Development Conference, University of Michigan	2019
<i>An Analysis of the Mexico City Policy</i> Global Gag Rule Research for Advocates, Open Society Foundations ^b	2019
<i>Abortion access, fertility, and female labor market participation in Israel</i> Institute for Religion, Economics and Society, Chapman University	2019
<i>Health and environmental effects of brick manufacturing in Mirzapur, Bangladesh</i> (poster) Planetary Health Alliance Conference, Stanford University	2019
<i>An Analysis of the Mexico City Policy</i> (poster) Stanford Center for Innovation in Global Health Research Convening	2018
<i>Do Clean Cookstoves Reduce Biomass Fuel Use</i> Triangle Area Cookstove Symposium, RTI International, Durham, NC	2014

Teaching

Quantitative Methods for Public Policy University of Connecticut	Spring 2023, Spring 2022
Environmental Studies Capstone University of Connecticut	Fall 2022
Introduction to Data Wrangling in R Summer Workshop University of Connecticut	Summer 2022
TA, Economics of Health in the Developing World Professor Grant Miller, Stanford University	Spring 2019
TA, Intro to Resource, Energy and Environmental Economics Professor Charles Kolstad, Stanford University	Fall 2016
TA, Quantitative Evaluation Methods Professor Manoj Mohanan, Duke University	Spring 2014
TA, Statistics and Data Analysis for Policymakers Professor Billy Pizer, Duke University	Fall 2013

Advising

Andy Zimmer, Postdoctoral Associate, Montana State University	2023-
Brooke Forde, MS Epidemiology, Stanford University	2022-

Professional Activities and Service

Referee: *Population and Environment*, *Vienna Yearbook of Population Research*, *Demography*, *Climatic Change*, *Environmental Science and Pollution*, *Sexual and Reproductive Health Matters*, *Nature Energy*, *Journal of Development Economics*, *Energy for Sustainable Development*, *Journal of Health Communication*

Memberships: Population Association of America, American Economics Association, Association for Public Policy Analysis & Management, American Geological Union, International Union for the Scientific Study of Population, Association for Environmental Studies and Sciences

Professional Experience

NORC at the University of Chicago Senior Research Analyst, International Programs	Bethesda, MD 2014-2015
Global Footprint Network Manager, External Affairs	Oakland, CA 2009-2012

Additional Information

Languages: Spanish (Intermediate)

Software: Stata, R, GitHub/Git, \LaTeX , Python, & QGIS

Field Research Experience: Bangladesh, India, Tanzania, Philippines

Last updated: September 2023
